Subject: Temporarily shut down Soda-Lime Furnaces (Furnace B) for maintenance

Ocean Glass Public Company Limited will temporarily shut down one of its two Soda-Lime Furnaces (Furnace B) during March 23 – May 25, 2015 for improvement the quality of the products and to maintain the furnace in a good condition. The maintenance is scheduled to perform regularly every 4-6 years depending on the utilization of the furnace.

In order to prevent the product shortage during the mentioned period, we plan to prioritize our capacity to supply popular items to serve demands of all customers and ask for distributors to provide demand forecast of product in advance for our production planned.

During such period, Furnace A, Furnace C and other operations in the Factory including Head Office are still in normal operation.

Please be informed accordingly.

Yours sincerely,

Ms.Lalitpat Wanichsermkul
