The President  
The Stock Exchange of Thailand

Subject: Temporarily shut down Crystalline Furnace (Furnace C)

Please be informed that Ocean Glass Public Company Limited will temporarily shut down Crystalline Furnace (Furnace C) during March 14 – October 31, 2016 for inventories management and minor cold repair maintenance to maintain the furnace in a good condition.

During such period, Soda Lime Furnaces and other operations in the Factory including Head Office are still in normal operation.

Please be informed accordingly.

Yours sincerely,
