To Our Shareholders and Investors,

Over the past 40 years, Ocean Glass has consistently adhered to the principles of ethics, integrity, and transparency in all our operations. These core values reflect our unwavering commitment to building trust and sustainability with all stakeholders, including our shareholders and investors, who play a vital role in driving the Company's success.

As a key supporter of Ocean Glass, we would like to inform you that the Company has conducted a thorough review and improvement of our internal processes to ensure they align with the high standards we have always upheld. During this review, certain operational shortcomings were identified, which may have impacted the efficiency of our operations. To ensure that Ocean Glass continues to operate with the utmost transparency and efficiency, the management team has taken swift action to address and rectify these issues, and appropriate measures have been taken in accordance with the Company policies.

We would like to reaffirm that Ocean Glass remains steadfast in our commitment to honesty and transparency, upholding the trust you have placed in us. We are dedicated to conducting our business responsibly and delivering sustainable returns to all our shareholders and investors.

We deeply appreciate your continued trust and support in Ocean Glass.

Sincerely,

Chakri Chan .
