VINO

VINO is a special collection of burn-off rim stemware glasses, especially for red wines and white wines. The collection comes in modern angular shape bowls with luxuriously long stems, a particularly perfect design for wine & dining which can seamlessly fit in with every special occasion.

The total look of the wine glass offers a modern and stylish look for those who use it. In addition, VINO is suitable for heavy use found in the HoReCa market segments due to its extra durability, with a form that is thoughtfully designed for ease of use.
