DIRECTOR QUALIFICATION GUIDELINES

1. Directors must meet the highest levels of honesty, integrity and objectivity, and comply with all relevant laws, government regulations, and the Company's Code of Conduct.
2. Directors must not have any interests that would materially impair their ability to exercise independent judgment or otherwise discharge the fiduciary duties owed by them to the Company and its shareholders.
3. Directors should have experiences in management or at the policy-making level in one or more fields of business, government, education, technology, science, or community/civic affairs.
4. Directors should have a general appreciation regarding major issues (including business strategy, business environment, corporate finance, corporate governance and board operations) facing public companies of size and operational scope similar to those of the Company.
5. Directors should have the ability to exercise sound business judgment.
6. Directors should have sufficient time to effectively carry out their duties, including preparing for and attending Board meetings, meetings of the Board committees on which they serve, and meetings of shareholders, after taking into consideration their other business and professional commitments.
7. Directors must comply with the retirement age limit of 72 years old.
8. Directors should be independent in their thought and judgment and be committed to enhancing long-term value for all shareholders.
